

Tug Boat

Skinfaxe R

Skinfaxe R is a 27-metre specialised tug, equipped with a wide range of equipment, including an HS185 hydraulic crane with an 18-metre reach and a lifting capacity of up to 31.5 tonnes, hydraulic towing pins, push fenders, a 100-tonne towing winch, and an A-frame with plough — all designed to support demanding marine operations.

This Damen Shoalbuster 2709 has an unrestricted sailing area, and with a bollard pull of 37 tonnes, Skinfaxe R is capable of towing most types of equipment.

Furthermore, the vessel is equipped with a moon pool, allowing the Reson multibeam system to be deployed below the hull, enabling Skinfaxe R to carry out accurate survey operations.

Specifications

Nordic mythology

Skinfaxe is the horse that carries the day around the world. Wherever it goes, heaven and earth become enlightened. Another horse, Rinfaxe, carries the night around the globe.
